Dear Rev. _____

_____ has applied for admission to our seminary, with the intention of becoming a Roman Catholic priest in the Priestly Fraternity of St. Peter.

The Fraternity of St. Peter (FSSP) is a Society of Apostolic Life of Pontifical Right canonically established by Pope John Paul II in 1988. The particular charism and mission of the Fraternity is to offer the Sacred Liturgy, including the Holy Mass and the Divine Office, as well as the sacraments, in all of their traditional solemnity, according to the Latin liturgical books of 1962.

This applicant has indicated that you could provide us with a reliable evaluation of him. Our Vocations Director would appreciate your thoughtful appraisal of his overall qualifications.

As this is obviously a significant step for the applicant, it is important that he be helped to make the right decision. We must rely heavily on the judgment of people who know him, and, therefore, your evaluation of the candidate is very important. Rest assured that your comments will be completely confidential: only the selection committee will have access to the information you provide us.

In addition to completing the questionnaire, feel free to offer pertinent facts and judgments not covered by the questions. Your help in this matter is greatly appreciated.

Thank you for your time and attention.

Sincerely yours in Christ,

Robert Overkamp
